NORTHERN ARIZONA UNIVERSITY
Extended Campuses

B.S. or B.A. in Interdisciplinary Studies: Emergency Services Administration (90/30)

This degree provides students with the education and skills to enter into or seek promotion in careers that focus on Emergency Service Administration. Students take courses designed to help them acquire a general knowledge of management, organizational, and policy issues while advancing their professional communication, computer, and quantitative skills. Students transfer in up to 90 hours of community college (or university) credit from regionally accredited institutions. Students who complete an associate degree that includes the Arizona General Education Curriculum (AGEC) automatically fulfill NAU's liberal studies and diversity requirements for this program. Students who transfer in 90 credits that include all other program requirements take only 30 hours (10 classes) of emphasis coursework through NAU to complete the degree.

Program Highlights:

- Total degree program is 120 credits
- Program is offered in-person and online
- In-person classes meet one night per week for eight weeks; some online coursework required
- Students may choose either a Bachelor of Science or a Bachelor of Arts track
  - ✓ Bachelor of Arts option – requires four semesters of the same foreign language; 3 units of computer literacy; and 6 units of oral communication
  - ✓ Bachelor of Science option – requires twelve units of science; 6 units of computer literacy; and 6 units of communication skills
