90/30 Frequently Asked Questions

What is the 90/30 program?

Students can complete 90 credits with the community college and only 30 credits have to be completed with NAU. Most undergraduate degree programs will only transfer in 64 credits from the community college.

Is the 90/30 a new degree at Northern Arizona University (NAU)?

No. This degree is an option under our existing Bachelor of Interdisciplinary Studies program. There are two degree options for each emphasis, a Bachelor of Arts (BA) and a Bachelor of Science (BS). We added an emphasis that allows a transfer of 90 units - Public Management.

What is the difference between a B.A. and B.S. degree?

The main difference between the BA and BS tracks is the BA requires four semesters of coursework in a language other than English and the BS option requires 12 units of science, math or research courses. Check with your NAU advisor to see which option is the right one for you.

What associate degrees transfer into the NAU 90/30 program?

All associate degrees that are designed for transfer are good options. An AAS degree can be used for transfer into the 90/30. However, students need to ensure they are meeting all program requirements (including general education requirements, which can be met with completion of the AGEC) within the 90 units of transfer.

Do I have to earn an Associate's Degree?

It is highly recommended that you complete an Associate's Degree. A minimum of 60 credit hours is required prior to starting the NAU coursework and we will work with you to determine the best course of action for achieving your Bachelor's Degree.

Do I have to earn the AGEC Certificate?

It is highly recommended that you complete your AGEC Certificate. We will work with you to determine the best course of action for achieving your Bachelor's Degree.

Can I be dually enrolled at a community college and NAU at the same time?

Yes, students can be dually enrolled at a community college and NAU.

Is there a time limit for when courses no longer count towards a degree?

With the exception of computer literacy courses, which have a ten year time limit, there are no time limits on coursework.

Can I use military credits, or CLEP credit with this degree?

Yes, DANTES and CLEP Credit are accepted at NAU. These credits do not fulfill the requirement for students to earn a minimum of 30 units from NAU.

How is the degree program offered?

The Public Management emphasis is offered either online or in person at NAU-Paradise Valley. We offer the 30 required NAU credits on site, online, or through video conference. Courses are offered in a 3 semester sequence that repeats each fall. Students have the option of going full time or part time.

Do I have to take any of my classes on the Flagstaff campus?

No, students do not have to attend classes in Flagstaff. Students can enroll in locally delivered classes at selected NAU sites for the Public Management emphasis. Classes are also available online and video conference for the Public Management emphasis.

What will my diploma read if I take all my classes through NAU's Extended Campus program?

Your diploma will read that you are a graduate of Northern Arizona University. No distinction is made as to the location from which you earned your degree.

What is the cost of tuition at NAU?

This depends on your residency status. However, in-state students enrolled in an Extended Campus program pay the lowest tuition rate to attend a state university in Arizona. You can find our tuition rates at the following location - http://home.nau.edu/bursar/tuition_fees.asp.

How do I apply for admission to the program?

We recommend you contact an NAU advisor to ensure you are ready to apply and enroll at NAU.

Students apply for admissions online at the following website:

<https://www.applyweb.com/apply/northaz/>.

How do I apply for financial aid?

Students interested in financial aid should complete the FAFSA. Please follow the check sheet found on the web-site provided below. Once students are admitted to NAU and FAFSA results have been received by NAU, our local Financial Aid Coordinator, Joi Grace (602-728-9506 or joi.grace@nau.edu) can answer questions.
